Statistics and Probability: HW #2

flofriday

Duedate: 06.10.2020

1) Bonferroni's inequality

Describe the problem of this task

1a)

Descibe the subproblem of this task

Solution)

My Solution for this task

2

Describe the problem of this task

1a)

Descibe the subproblem of this task

Solution)

My Solution for this task

3

Describe the problem of this task

1a)

Descibe the subproblem of this task

Solution)

My Solution for this task

4

Describe the problem of this task

1a)

Descibe the subproblem of this task

Solution)

My Solution for this task

5

Describe the problem of this task

1a)

Descibe the subproblem of this task

Solution)

My Solution for this task

6

Describe the problem of this task

1a)

Descibe the subproblem of this task

Solution)

My Solution for this task
